

American Lincoln

American Lincoln Parts for Scrubbers and Sweepers - Currently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the business they are known in the industry as providing durable and strong machines which meets the needs of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply parts, warranty service and equipment for these types of scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like for example Target and Wal-Mart. The 7765 line has earned the respect of several facility managers where results and efficiency matter. Lately, this floor scrubber model has been requested by the architects in various construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on location because of the model's supreme performance level and high standard of quality for polishing concrete.
